

End of Year Report 2014

Our year started in October when the Secondary Sports Leaders' were trained for the festivals. The first event in November was the Sports hall Athletics, when all six schools participated. It was a wonderful sight, with all pupils being part of a very comprehensive scoring system which enabled the cluster to arrive with an outright winner and the ability to assess the pupils run, jump and throwing ability.

By the end of the first term contracts were signed and the full programme of activities began, starting with the teaching of gymnastics and multi skills. January also saw the popular Taser Day for Yr 2's with almost 100 pupils taking part.

Audits were administered for both staff and pupils and many PLT's joined me at the Primary PE conference in Harrogate. Staff training has taken place for Gymnastics, Orienteering, Multi Skills, Rounders and a variety of invasion games. Holy Family leaders continued to support festivals for Netball, Dance, Gymnastics, Cricket, Quadkids and Multi Skills. Similarly I have thoroughly enjoyed supporting the schools in hockey, African dance, Athletics, Tri-golf, Cricket and Playground Leaders.

In total I have worked with over 1400 pupils, without counting the wonderful efforts of the PLT's and their colleagues. Congratulations to the many schools that have been able to send pupils to each event, whether competitive or non-competitive and continued on to the level 3 School Games.

Highlights of the year for me have been the successful Quadkids athletics with assessment of the students taking place whilst the pupils were having fun. Similarly I enjoyed seeing the pleasure on the faces of all the Dancers and the little ones at the Multi Skills event.

May I take this opportunity to thank all members of staff and the admin teams who help bring the whole programme together. Hopefully the programme will go from strength to strength.

Have a restful holiday and please encourage all pupils to get out and play over the summer!

Aileen Hunt
