Photographs

Andrea Turvey is coming into school on Tuesday 15th November to take photographs of all the children. We were delighted with the quality of the photographs last year and they made lovely Christmas presents for family and friends.

A letter with further details has been sent out to all families. Please look out for this in your child's book bag and return the reply slip to school as soon as possible.

Year One Auditory Screening

On Thursday 11th November the School nurse will be coming into school to carry out the routine auditory screening tests for Year One pupils. These tests only take a few minutes and parents are not required to attend.

Reminders

Please ensure your child brings PE kit into school on a Monday and that all items are clearly named.

A water bottle should also be provided. Please remember that only water is permitted to be brought to school. Soft drinks (not fizzy drinks) are permitted in packed lunches, however. It is getting to the time of the year when names are beginning to wash out of uniform! Please check that your child's name can be clearly read in all items of clothing. Thank you.

Gifted and Talented

We would like to say a big 'Well Done' to Josie, Nicholas and Nathan who represented Camblesforth at a special 'Gifted and Talented' PE day at Carlton Holy Family this week. We were proud of the excellent attitude and effort which the children put into all the activities. They demonstrated outstanding behaviour and sportsmanship throughout the event.
