Contents:

1. Purpose of the Sports Funding Initiative
2. Analysis of the Impact of Sports Funding 2015 – 2016
3. Sport Premium Funding Statement 2016 - 2017

Camblesforth Community Primary School

Sports Premium Funding Statement 2016 – 2017

Purpose of the Sports Premium Funding

The Government is continuing to provide funding for the development of sport within Primary Schools in 2016- 2017. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport. The money goes directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools.

Information regarding the Sports Premium Funding is available from the following hyperlink:
<https://www.gov.uk/government/publications/pe-and-sport-premium-funding-conditions-for-2016-to-2017/pe-and-sport-premium-conditions-of-grant-2016-to-2017-local-authorities-and-maintained-schools>

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2016 to 2017 academic year, to encourage the development of healthy, active lifestyles.

Eligible Schools

Funding for schools is calculated by the number of primary-aged pupils (between the ages of 5 and 11) as at the annual schools census in January 2016.

All schools with 17 or more primary-aged pupils will receive a lump sum of £8000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

Purpose of the funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

Accountability

Schools will be held to account for how they spend the sports funding. Ofsted have strengthened its coverage of sport and PE within the Inspection Handbook and supporting guidance, so that schools and inspectors know how sport and PE will be assessed within the revised framework. Schools are required to include details about their sporting provision on their school website, alongside their curriculum details, so parents can compare provision between schools, both within and beyond the school day.

Best Practice

Schools will be able to draw on information on effective practice taken from case studies provided by the very best schools. One year on, Ofsted will carry out a survey reporting on the first year's expenditure and its impact.

Funding period

The sports premium continues to be paid to schools in 2016 – 2017. Payments were also received in the previous three academic years, 2013-2014, 2014-2015 and 2015 – 2016.

Use of the Sports Premium Funding at Camblesforth CP School

2016- 2017

At Camblesforth Primary School, we recognise the contribution of Physical Education to the health and wellbeing of pupils. We believe that high quality physical education not only allows pupils to develop physical development, movement skills and body confidence; but also contributes to physical, mental and social well-being.

We aim to provide a varied programme of high quality sporting activities which enable all pupils to develop positive attitudes towards physical activity and healthy lifestyles. We are committed to ensuring that the funding is used to benefit all pupils, regardless of their sporting ability.

In order to facilitate the above, we plan to make use of the sports funding to:

- Enhance participation in sporting activities by providing after school sports clubs for pupils
- Develop the expertise of teaching staff by providing regular opportunities to work alongside sports coaches
- To provide staff training to further develop teachers' ability to teach the skills necessary to participate in competitive team sports
- To further extend opportunities for pupils to participate in sporting events with other schools
- To purchase resources necessary to provide a variety of sporting activities for pupils
- To train a member or staff to deliver a Change4life club during the lunchtime period
- For membership of a Local Schools' partnership which provides inter-school competitions, staff training, network meetings for PE subject leaders and access to a specialist teacher to deliver sessions for pupils and staff within school
- To provide transport to enable pupils to participate in the above schedule of events

Sports Premium Expenditure Plan 2016 – 2017

Purpose	Objective	Expenditure
Continuation of Participation in Sports Partnership	Continued opportunities to participate in a wide variety of sporting activities with pupils from other schools. Continued access to CPD activities and team teaching opportunities with expert teacher Work towards the Gold School Games kitemark	£2200
Releasing sports co-ordinator to attend meetings and CPD events prior to dissemination within school	Newly appointed PE co-ordinator to continue to attend network meetings and CPD to further develop PE in school	£600
Release NQT to attend CPD events	NQT to attend CPD to further develop practice	£500
Enabling participation in sporting events within the local cluster of schools (transport costs)	Continue and extend participation in sporting activities with other schools Access to equipment not available in school	£500
Sports coaches working in school with both pupils and staff in order to: <ul style="list-style-type: none"> • enthuse pupils and provide CPD for teaching staff • further develop assessment skills for support and teaching staff 	To further develop team games and enable pupils to participate in competitive sports.
